SUPPLEMENTARY INFORMATION:

Agenda:

The Skate Committee will meet to discuss recent fishery performance and outlook for 2023 and plan for the 2023 management track stock assessment for skates. They will also progress towards developing a white paper regarding thorny skate as well as review

of specification setting process and plans for developing 2024-25 skate specifications, including setting possession limits. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
